**GCE A LEVEL: GENERAL PAPER
LET'S TALK NUCLEAR!
A HARVARD GRAD TEACHES GP**

Join me - Elizabeth Su - virtually!

9 am - noon, 10 August 2024: \$150

Is nuclear power a viable environmental option? Should we go nuclear?

The movie, "Oppenheimer", hit the big screen in July 2023. How was

Oppenheimer associated with nuclear power?

Who were the "liquidators" of Chernobyl?

What is the relationship between Fukushima and Chernobyl?

I have been teaching the story of Chernobyl at the university since 2010.

Join me on 10 August to learn more!
